### APPENDIX A.

#### REPORT OF COMMITTEE ON BOOKS AND PERIODICALS.

To the President and members of the White River Conference:

Your Committee on Books and Periodicals submit the following report:

We are glad to say that, notwithstanding the stringency of the times, the volume of business transacted by our publishing house is a little larger than last year; but it is not more than one-half of what it ought to be. Our people are being damaged and dwarfed by an inferior literature, while hundreds of volumes of our own excellent books remain on the shelves of our publishing house.

Our Christian Advocate is second to no weekly paper with which we are acquainted, and it ought to be placed in the homes of our people along with every conference organ.

Our Sunday school literature is good and cheap. The Magazine should be studied by the rank and file of our members. They need the light of it in the home life.

The Quarterly Review is well worthy of a better patronage, and we are sorry it is not self-sustaining.

We heartily endorse the work of Bennett & Thornburgh as general colporters for this state, and we hope that every preacher and member of our church in the three Conferences in this state will give them full patronage.

Our conference organ, The Arkansas Methodist, is increasing in popularity and usefulness, and it is already doing a great work for God and the church, and one that can be done by no other paper so well. We recommend that Bro. Z. T. Bennett, D. D., be appointed to the editorial management of

it, and that the same publishing committee be appointed as last year.

Finally, may God help us to awake to the importance of feeding our people with solid food from our own press. Respectfully,

FRANK RITTER.

J. S. BROOKE.

### REPORT OF COMMITTEE ON BIBLE CAUSE.

The circulation of the Holy Scriptures among the nations of the earth is at once the recognized duty, as well as privilege, of the protestant world. Never before, in the history of the Church has she put forth such efforts to enlarge the place of her habitation, nor increased her contributions to carry the Gospel into the regions beyond, as at the present day. Our zeal for the universal spread of the Bible should not be less enthusiastic. The American Bible Society celebrates this year its seventy-sixth anniversary. It carries the Bible everywhere. Its work in foreign fields has proven its importance as a factor in the success of missions. Thousands of humble homes have been supplied with the blessed word of God through the benevolence of the American Bible Society.

In order that this great work may be carried forward it is the duty of the church to co-operate; and the White River Conference should do her part.

Therefore, be it resolved, that in the month of February, 1893, a collection be taken in every charge for the benefit of the Bible cause, and the amount secured be forwarded to Rev. E. M. Pipkin, District Superintendent, Little Rock, Arkansas.

We also recommend that the Presiding Elders urge pastors and people in their districts to aid in this great work.

Respectfully submitted,

J. I. MAYNARD,

A. M. R. BRANSON,

J. R. EDWARDS.

REPORT OF BOARD OF COLPORTAGE.

The Board of Colportage would respectfully submit the following report:

After careful inquiry into the matter, we are satisfied that Brothers Bennett & Thornburgh, who were elected Colporteurs by the three conferences of Arkansas, in 1891, have exercised good judgment and business tact in making all necessary arrangements to place and keep the books and periodicals of our Publishing House near us, so as to be able to sell to us at Publishing House rates; and thus save to us much expense and delay in buying our publications.

We believe they have dealt liberally and fairly with all their customers, and therefore we recommend that they be continued as such colporteurs and that we patronize them in this business and recommend our people to do so.

REPORT OF THE COMMITTEE ON DISTRICT CONFERENCE JOURNALS.

To the President and members of the White River Annual Conference:

We, your Committee on District Conference Journals, beg leave to submit the following report:

All the Journals of the various District Conferences have been handed, in except the one from Searcy District. The Journal of the Jonesboro district has been neatly and correctly kept, except in numbering the sessions. It should have been 23 instead of 26. We find the Journal of the Batesville District in a very neat condition, except an occasional interlineation.

The Journal of the Helena District is a model of neatness—the committee finding no grounds for criticism.

We find the Journal of the Newport District has been well kept. The committee however find a few interlineations and on page 311 the committee on Conference Journals in making its report, which we think should have said *Quarterly* Conference Journals instead of *Conference* Journals.

The Journal of the Searcy District is not before the committee. But was reported in good condition by the Presiding Elder.

W. W. ANDERSON, Chairman.

## APPENDIX E.

### REPORT OF COMMITTEE ON SPIRITUAL STATE OF THE CHURCH.

The past year has not been barren and unfruitful. Many souls have been converted and many have been added to the church. The spiritual and moral condition of the church is comparatively good. The visible church never has been perfect. When Moses was the great lawgiver and leader and Aaron the high priest and Miriam the prophetess, there was a "mixed multitude," a constant annoyance and burden to the saints.

#### FAMILY RELIGION.

What we need among other things is more religion at home. The family is the most serious and sacred of all institutions, of whom the whole family in heaven and earth is named, religion, devotion, prayer do worship and service to Almighty God, around the hearth-stone—is first and also all important.

#### NONCONFORMITY TO THE WORLD.

We are pained to learn that some of our people attend theatres, dances and horse races. Such practices are not in accord with God's word and are an open violation of the general rules of our church. These things ought not so to be.

We would earnestly urge a more faithful attendance upon the ordinances of God's house. When will our people learn that to live spiritually they must conform to law as regularly and persistently as to live physically. Air, bread and water are

essential to physical life. So the soul must have the bread of life and the water of life or perish.

The law or formula laid down by our Lord in his Sermon on the Mount (Matt. 6:18,) is *First*, noly or right living, walking before God in all truth and righteousness; and *Second*, prayer. This embraces right living and brings down into the life the power of God. It asks and receives, it seeks and finds; it knocks and the door of salvation is opened. *Third*, fasting. Right living, fasting and prayer, have always been rewarded with success. These things we must urge upon our people and ourselves to rigidly observe if we would see a great forward movement in the spirituality of the church. But after all, it is not by might nor power, but by my spirit, saith the Lord. Respectfully submitted,

W. R. FOSTER, Chairman.

### REPORT OF THE BOARD OF EDUCATION.

To the Bishop and members of the White River Conference, in session December 14th, 1892.

Your Board of Education would respectfully submit the following report:

#### VANDERBILT UNIVERSITY.

From the report submitted to us, we learn that this institution continues to maintain its high rank as an institution of learning and is in a very prosperous condition; and notwithstanding the great financial depression upon the country, the enrollment is larger than it was the preceeding year. Especial attention is called to the great advantages to be derived by our young preachers from the Biblical Department of the University.

#### HENDRIX COLLEGE.

The report of the President of this School has been placed in our hands. From this report we learn that the year ending June 15th, 1892, was the most successful in the history of Hendrix College. There were enrolled one hundred and sixty-six students, of whom one hundred and forty-four were

boarders. Nearly all parts of the state were represented. The Little Rock Conference furnished 54 students, Arkansas Conference 56 and the White River Conference 50 students. When they matriculated, 110 students were church members, and 56 were not. During the year 24 were converted. From these extracts we learn that the spiritual condition of the College has been constantly improving and we heartily endorse the management of the College and recommend it to the patronage of our people and pledge it our hearty support.

#### THE FINANCIAL EXHIBIT.

The financial condition of the College is very discouraging, and unless the church comes to the relief by liberal contributions it will labor under very serious embarrassments. Last year the income from all sources was \$5,300, while the current expenses amounted to \$6,500. The amount expended for necessary improvements was \$2,500. In addition to this, a large indebtedness has been incurred in the purchase of additional property, making a total indebtedness of at least \$12,000.

In view of these facts, we recommend the appropriation of one thousand dollars to be divided among the districts of the Conference, in the following order:

Searcy District, \$220; Helena District, \$220; Newport District, \$170; Batesville District, \$170; Jonesboro District, \$120.

We recommend the re-election of M. M. Smith as a member of the Board of Trustees. We also heartily endorse the election of Rev. Thos. H. Ware to the agency of the College.

#### SEARCY MALE COLLEGE.

Rev. S. H. Babcock came before your Board and presented the claims of that excellent School. We learned that Bro. Babcock has leased the magnificent and splendidly equipped building located in the city of Searcy for a term of years, and proposes to build up a school of high grade for boys and young men. While this school is not specially under the auspices of our church, yet with Bro. Babcock as its President and a full corps of Professors, and teachers, members of or allied in their sympathies to our church, we bid it God-speed in its noble work of training young men and boys for

the active duties of citizenship. We therefore cheerfully commend Searcy Male College to the patronage of all parents, who are seeking for their sons a literary and business training.

#### GALLOWAY FEMALE COLLEGE.

The honored President of the Galloway Female College, Dr. John H. Dye, appeared before your Board of Education and gave us a most encouraging account of the condition of this school.

We most cheerfully confirm the action of the Board of Trustees, in electing Dr. John H. Dye to the presidency of our College, and believe that he is eminently qualified to fill the position to which he has been called. It will be remembered that this College is the property of the three Conferences in the state and occupies a position not sustained by any other Female school in the state.

#### FINANCIAL CONDITION.

There is a large number of outstanding subscriptions to the college, which were made in good faith, and we would urge their speedy payment, in view of the fact that there has been a very large and necessary expenditure of money in the extensive and expensive improvements that have been made on the building and grounds, which were imperatively demanded by the increased patronage and to improve the sanitary condition of the college. We would call special attention to the cheapness of this school, which we believe is not equaled by any school of the same grade in the state, if in the south. We take great pleasure in noting the fact that recently there has been a very gracious revival in the College, in which a number of the young ladies have been converted.

We recommend the appointment of Dr. John H. Dye to the presidency of the College.

We also recommend the election of the following members of the Board board of Trustees:

Sydney H. Homer in the place of J. M. Hanks, F. P. Laws in the place of R. S. Thomas, J. T. Henderson in the place of J. H. Howell, R. S. Deener in the place of H. T. Gregory.

Respectfully submitted,

HORACE JEWELL, Chairman.

## APPENDIX G.

## REPORT OF COMMITTEE ON SUNDAY SCHOOLS.

To the Bishop and Members of the White River Conference:

Your Sunday School Board submit the following report:

We know of no church that has made more ample provisions for Sunday School work than has our own loved Methodist Church and it only needs faithful consecrated effort on the part of our pastors and people to make this great arm, as it were, of the Church one of the most potent factors in bringing the world to Christ. Success in the Sunday School means success for the Church. The pastors report only two hundred and thirty-nine schools, with eleven thousand, two hundred and fifty-nine pupils. This shows that at least one-half of our members are not in our Sunday Schools. These schools have raised three thousand and fifteen dollars and eighteen cents for Sunday School purposes during the year. Your Board has received eighty-one dollars and ten cents Children's Day collection to be used for needy schools; out of this there has been paid to J. C. Ritter ten dollars and forty-five cents and H. M. Cryer ten dollars, to be used for needy schools. This leaves a balance in our hands of sixty dollars and sixty-five cents. We have been informed that the former treasurer, the Rev. W. D. Kelley, has in his possession about two hundred dollars, which has not been turned over to the present treasurer.

We do hope the pastors will hunt out the needy schools and report to us, so we may assist them as far as possible in supplying them with literature.

We would also respectfully request that Bro. G. A. Dannelly be appointed Sunday School agent for the Conference for the ensuing year.

Respectfully,

W. M. WATSON, Chairman.

T. B. WILLIAMSON, Sec.-Treas.

## REPORT OF COMMITTEE ON MEMOIRS.

We, your Committee on Memoirs, submit the following report:

Three of our brethren have fallen by earthly dissolution and gone to their reward, viz: Benoni Harris, Thomas A Craig and Jas. G. Miller. (See obituaries of Benoni Harris, and Thomas A. Craig). With reference to Brother Jas. G. Miller we failed to secure dates with reference to the time of his birth and entrance into the ministry. After serving the church perhaps some twenty years in the local ranks and itinerancy together, in which capacity as a minister of the gospel he was faithful, he died in peace, March, 14th 1892, in Randolph county, Ark.. a wife and son surviving him.

Respectfully submitted,

N. E. SKINNER,  
G. A. DANNELLY,  
W. R. FOSTER.

## REV. BENONI HARRIS.

Died at his residence at Paragould, Greene county, Ark. February 25, 1892, of pneumonia, Rev. Benoni Harris, aged sixty-four years. He was born in Howard county, Mo., July 2, 1827. He was reared and educated in Arkansas; commenced preaching at 18 years of age; was admitted into the Arkansas Conference of the M. E. Church, South, in the year 1848. Since then he has done the work of an itinerant minister of the gospel of peace, having either a mission, circuit, station or district in charge, as directed by his Conference, up to two years before his death. All this labor was performed in Arkansas. He identified himself in interest with the state and her people and sympathized with them in their development and moral religious culture. Their destiny was his. His labors and prayers were with them and for them. He clung to them and their cause in time of war as well as in time of peace, in adversity as well as in prosperity. He has left his

impress upon the moral and religious progress of our community which will be seen and felt for years to come.

His illness was of short duration, his suffering was severe, but he bore it with meekness and Christian resignation. Benoni Harris spent the prime of his manhood in the work of the ministry in the hills and swamps of Arkansas. Cheerfully he accepted and without murmuring he went to the work assigned him from time to time by authority of his church. Whether mission, circuit, station or district, whether in the swamps or on the hills, or in the backwoods or the crowded city, he was ready to say: "Here am I, send me." As a preacher he was able, sincere and efficient—a workman who had no need to be ashamed, rightly dividing the word, giving to each his portion in due season. Instant in season and out of season, every whit a Methodist of the true Southern type, he was ready for every good word and work, and shunned not to preach the doctrine of his Church without intending offense to any, and with charity for all.

He was a plain preacher, posted in doctrine, strong in faith, clear in diction, humble in manner, forcible in logic, unaffected in style, full of unction and often eloquent. He was fervent and able in prayer. I shall ever remember his gift of power of expression, when appealing to a throne of grace in behalf of sinful men and women. As a minister in time of peace, or as a chaplain of a regiment of the Southern army in time of war, he trusted in the promise of his Lord and Master to his ministers, when he commanded them to go and preach his gospel, "Lo, I am with you even unto the end of the world."

Bro. Harris was a good financier, a quality that was mistaken by some for stinginess, but it proved to be one of his virtues. He never left any of his appointments for a new field without paying his debts, always taking care to owe no man anything. He always saved some of his salary, be it ever so small. He was a burden to no man, but self-sustaining throughout. The result is he has left a little estate to his wife and relatives.

I shall ever remember his beautiful song and how much I loved to hear him sing it:

"I saw a way-worn trav'ler,  
In tattered garments clad,  
He was struggling up the mountain,  
It seemed that he was sad.  
His back was laden heavy,  
His strength was almost gone.  
Yet he shouted as he journeyed,  
Deliverance will come.  
Then palms of victory, crowns of glory,  
Palms of victory I shall wear."

To him deliverance has come and with it palms of victory and crowns of glory. In the death of Bro. Harris a useful life has ended.

REV. T. A. CRAIG.

Rev. Thomas A. Craig was born in Tennessee April 12, 1832. Professed religion in his 19th year and joined the M. E. Church, South. Was licensed to preach by Rev. T. L. Boswell in 1850. Came to Arkansas in 1862, and settled near Clarendon. He was married twice. The first time to Miss Louisa J. Robertson, from which union there were five children, three of whom are dead. Two are alive, Rev. L. C. Craig of the White River Conference and Mrs. Henry Lownsberry of Brinkley, Arkansas. The last marriage was to Mrs. L. M. Beckham, widow of the Rev. J. C. Beckham of the Arkansas Conference. He joined the White River Conference at Batesville with J. J. Alexander, J. M. Talkington and J. L. Short, in 1871. He served eight pastoral charges. Any of the charges he ever served would gladly received him again as their pastor. He was one of those men that wore well. The longer you knew him the better you liked him. He was a true Christian gentleman. He was one of the purest men I ever knew. I never heard a word fall from his lips but what anyone might have heard without a blush. He was a devoted Christian. He loved his brethren, and always spoke kindly of them. I visited him twice during his last illness; found him ready and willing to go. He said to me when leaving

him, that he was willing for the Lord's will to be done. His last charge was Melbourne Ct., Batesville District. He had often said he wanted to die at his post. So he did. On the evening of his fourth Quarterly Conference he complained of having a severe headache. He went home and was soon confined to his bed with typhoid fever; his illness lasted just three weeks. His last audible words were "I am going home." He suffered very much until the last day, when he sank into a stupor and passed away without a struggle. He breathed his last at 5 o'clock p. m., November, 16, 1892. He was a Mason, Knight of Honor, and belonged to the Ministerial Aid Association. He leaves a wife and the two children mentioned above to mourn his absence.
